

Mt Olympus

Capacity: 40

The Mt Olympus room is located in the Olympic Inn and can be used for groups of up to 40. A portable sound system is available, as well as a portable LCD projector. There is no screen, but a white wall is used for projection. There is also a white board on the wall.

There are public restrooms located just outside the Mt Olympus room. This room goes with the group staying in Olympic Inn, but can be used by other groups if no one is staying in the Olympic Inn.
